About This Game

It's hard to live a small fish in a big ocean. Other larger fish are striving to eat it, and even she herself is dying of hunger. But with your help, she can hunt more effectively, learn to avoid other predators and overcome all adversity and difficulties to move to the next stage of evolution, and also improve their skills that help to survive in this dangerous world.

An entertaining arcade with RPG elements and the ability to paint your fish in your favorite colors, which can help relax and relieve tension or experience your reaction and ability to concentrate in a hardcore survival mode!

Not worth it even for \$0.99 unless you like to get rude and snarky replies from a dev who thinks too highly of themselves. Don't bother leaving bug reports or suggestions, or you'll end up like the fish in this game (so so the dev seems to think).

When I played this, it was basically unplayable. Hunger decreased too quickly, your fish moved too slowly. It was not fun and was just stressful.

Def do NOT recommend.. \u0432 \u043d\u0435\u043a\u043e\u0442\u043e\u043c \u0440\u043e\u0434\u0435 \u0422\u0430\u0431\u043e\u0434\u0430\u043d\u0430\u043f \u0438\u0433\u0440\u0443\u043b\u044f , \u0441 \u043f\u0440\u0438\u044f\u0442\u043d\u0430\u043e\u0439 \u0430\u0442\u043c\u043e\u0441\u0444\u0435\u0440\u043e\u0433\u0439 .\n

In a way- a Hardcore game, with nice atmosphere and music.

Cons:

- the controls are a bit clonky
- the graphics may seem simple

Pros:

- + Music is relaxing, with variety of tracks
- + Interesting concept of 2D Fish customizer (the painter)
- + satisfying and easy to pick up gameplay
